Ltd.ICAI specifies the exam pattern for CA foundation exam. Paper 1 and Paper 2 of the CA foundation course are subjective and the paper 3 and Paper 4 are objective. Each paper is worth 100 marks. The duration of the exam is 3 hours. Candidates must solve CA foundation sample papers and practise different mock tests to score well in the main exam. There is no negative marking in the subjective section of CA foundation. The books for CA foundation help in making the exam pattern more clearly. CA Foundation Syllabus 2021In case there is any confusion regarding the topics to be studied for the CA foundation 2021, candidates must refer to the CA foundation syllabus given on the official ICAI website. The elaborate syllabus is released on the official website which is relevant for the May 2021 exam onwards. Candidates can choose books for CA foundation based on the syllabus. Candidates will be updated if there is any amendment in the exam through the latest syllabus for CA foundation uploaded on the ICAI website. CA Foundation Study Material 2021ICAI provides detailed study material for CA foundation exam which covers each topic of the CA foundation syllabus. Candidates preparing for the CA foundation course should find the study material enough for their preparation. But it is always useful to go through the books for CA foundation to get an edge in their studies. The official source should always be the CA foundation study material which is available on the Board of studies knowledge portal. It is also useful to go through the study material for attempting the subjective section i.e Paper 1 and 2 of the CA foundation. This is because the examiner will invigilate expecting some key points from the official study material as well.
